## Clinical Interest Inventory

The following information will help us to match your interests with our needs. It will be used to determine placement for those accepted into the program. While we take your interests into consideration, it is not a guarantee of specific placement. Indicate your interest level in each of the units below according to the ranking system. For additional information on each unit, please visit [www.uwhealth.org/nurseresidency](http://www.uwhealth.org/nurseresidency).

| Units  | Strong Interest | Interest | No Interest |
|--|-----------------|----------|-------------|
| <b>Ambulatory Clinics</b>  |                 |          |             |
| Cancer Clinics / Oncology  |                 |          |             |
| Digestive Health Center – Endoscopy                                      |                 |          |             |
| Digestive Health Center – Clinic   |                 |          |             |
| Dermatology  |                 |          |             |
| Family Medicine  |                 |          |             |
| Internal Medicine  |                 |          |             |
| Moh's Dermatology Surgery  |                 |          |             |
| Neurology  |                 |          |             |
| OB/GYN   |                 |          |             |
