

# PGY1 Community-Based Pharmacy Residency

*The PGY1 Community-Based Pharmacy Residency program at SwedishAmerican Hospital builds upon the Doctor of Pharmacy (Pharm.D.) education and outcomes to develop community-based pharmacist practitioners with diverse patient care, leadership, and education skills who are eligible to pursue advanced training opportunities including postgraduate year two (PGY2) residencies and professional certifications.*

*Our program aims to develop each residents' professional, clinical and leadership skills through outpatient pharmacy services. Training within our URAC accredited Specialty Pharmacy, Outpatient Pharmacy, and various clinics provides a wide range of outpatient practice areas necessary to become leaders in pharmacy. Each resident experience is tailored to meet individual goals and expectations.*
